## About Us

Perth Hand Clinic is a hand therapy practice collectively owned and operated by the therapists who work there. Our two hand therapists each have over 15 years experience, so you can be assured you will receive the highest standard of care.

We are also the most competitively priced hand clinic in Perth. We offer weekend consults, mobile hand therapy and same day splints.

## Address (opposite Mercedes College)

Suite G1  
379 Hay St  
Perth WA 6000

## Parking

There is ample street parking available outside 379 Hay St. There is also a Wilsons Car Park next door.

## Elevator Access

Please phone us when you arrive if you require elevator access and we will come out and meet you as the elevator entry is via the basement carpark.
